To Mrs. Stanley Williams as an expression of our appreciation, love, and admiration, we, the Senior Class, hereby dedicate this, the 1954-55 Gibraltar. Through years of noble guidance, she has woven into the fabric of our lives, by her fine art of human relationships, a pattern of sympathetic understanding. Her willing cooperation, efficient leadership, and kind, unruffled manner will ever endear her to those who know her well.

Message

Dear Seniors:

It has been a pleasure and a privilege to work with such a splendid class. Your accomplishments have been many; your examples of conduct, scholarship, and loyalty have set goals worthy of attainment by those whose footsteps will follow yours.

Look hopefully toward the future, and never cease to strive for those things which are representative of your high ideals and abilities. Keep and guard as a sacred trust the responsibilities which your education commits to you. Let experience and service add to your knowledge and understanding as you each attain new heights of success.

Sincerely,

C. L. Fleming
